

## Size Of Primary Vote Tuesday Big Surprise

### ALMOST THE EQUAL OF TWO YEARS AGO

With Only Five Contests on County  
Tickets, Total Votes Cast Ap-  
proach 1916 Record

### GOSNELL WINS A CLOSE RACE

Nominated by Republicans by Ma-  
jority of 20—C. A. Frazee Nom-  
inated by 255 Votes

There was only one close race in the five contests for nominations on both the democratic and republican tickets in the primary Tuesday. The fight for the republican nomination for commissioner from the southern district was won by Harry Gosnell by a narrow plurality of 20 votes. His vote was 777 as compared to 757 cast for Charles Owen and 650 for John E. Harrison, the incumbent.

Much interest centered in the contest between Charles A. Frazee and Fred R. Beale, who sought the republican nomination for county treasurer on the republican ticket. Mr. Frazee won by a majority of 255 receiving 1276 votes as against 1021 for Mr. Beale.

The surprising thing about the primary was the fact that the vote was almost the equal of the primary two years ago, which was general election year when there were more contests and more interest. This was more especially true of the republicans. The largest number of votes cast yesterday was in the treasurer's contest, the combined vote of the two republican candidates being 2297. In the primary two years ago the combined vote for the three republican candidates was 2260. The combined vote yesterday for commissioner of the southern district was 2184.

The largest democratic vote cast in the primary two years ago was for congress, Gray and Lutz polling 1653. This year the largest vote cast on the democratic ticket was 1120, which was the combined vote for the two candidates for state representative.

Dr. Henry V. Logan of this city defeated Archie Bogue for democratic nomination for representative by a majority of 418, the vote being 769 to 351.

In the only other contest on the democratic ticket, John W. Logan was nominated for commissioner for the third or northern district by a majority of 485 over Riley Ruby. The vote was 802 to 317.

Earl F. Priest defeated Henry Schrader, the incumbent, for the re-

### WINNERS IN THE TOWNSHIP CONTESTS

Lowell Beach, republican nominated over John Tribby for assessor in Posey township by a majority of 128.

Argus D. Wagoner, republican, nominated over John J. Riggs for trustee of Orange township by 33 votes.

Lewis Ross, republican, nominated over Adam Richey, for committeeman in precinct one of Orange township, by a majority of ten votes.

John F. Mapes, republican nominated by a majority of one vote for Union township trustee over Jacob J. Clifton.

George T. Aultman, republican, nominated for Rushville township assessor, by a plurality of six votes over Lewis H. Krammes and George H. Havens.

Alva Newhouse, republican, nominated for trustee of Jackson township over J. Ed. Caldwell by a majority of ten votes.

Ernest R. Tisworth, republican, nominated for trustee of Noble township over Omar Stevens by a majority of 71 votes.

Charles E. Rucker, democrat, nominated for Posey township trustee by a plurality of eleven votes over Rolla W. Alexander and John M. Eaton.

James M. Cross, democrat, nominated by a majority of 22 votes for Posey township assessor over John Price.

Low Lewis, democrat, nominated for Walker township trustee by a plurality of three votes over David E. Carmony and John Lower.

John H. Brown, Aubrey T. Craig and Rue Miller, democrats, nominated for Walker township advisory board, being the three highest of four candidates. Cyrus E. Inlow was the defeated candidate.

Frank M. Gordon, democrat, nominated for assessor in Washington township by a majority of 100 votes over Albert L. Canady.

John E. Holmes, democrat, nominated for assessor of Union township over E. F. Fry by a majority of two votes.

George W. Spillman, democrat, nominated by a majority of seven votes over Charley J. Smelser for trustee of Noble township.

Joe Brown, democrat, nominated by a majority of 23 votes over Shirley E. Miller for assessor of Orange township.

Buenos Aires, May 8.—Couni Luxburg, former German minister to Argentina, sailed for Sweden today.

### CONTESTS IN THE TOWNSHIPS CLOSE

John F. Mapes Nominated For Re-  
publican Trustee of Union by  
Majority of One

### LEW LEWIS WINS BY THREE

Three Cornered Fight in Walker and  
Posey—George T. Aultman is  
Nominated For Assessor

Many close races characterized the races for township nominations on both tickets in yesterday's primary. John F. Mapes, for instance, was nominated by a majority of one vote as republican candidate for trustee of Union township and Low Lewis, democrat, won the nomination for trustee of Walker township by a plurality of three votes. John E. Holmes won by two votes in the democratic race for assessor in Union township.

George T. Aultman was nominated for assessor on the republican ticket in Rushville township after a close race between three candidates. His plurality over Lewis H. Krammes was six votes, the totals being 296 to 290. George H. Havens, the third candidate, received 272 votes.

The vote by precincts was as follows: Aultman—first, 31; second, 27; third, 30; fourth, 32; fifth, 19; sixth, 31; seventh, 23; eighth, 28; ninth, 39; tenth, 26; Krammes—first, 19; second, 41; third, 28; fourth, 20; fifth, 22; sixth, 25; seventh, 43; eighth, 47; ninth, 27; tenth, 18; Havens—first, 33; second, 46; third, 40; fourth, 30; fifth, 16; sixth, 19; seventh, 13; eighth, 22; ninth, 30; tenth, 23.

The three-cornered fight for the democratic trustee nomination in Walker township developed into a race between Lewis, the nominee, and David E. Carmony. Lewis received 57 votes in precinct one and 49 in two and Carmony got 59 in the first precinct and 44 in the second. John Lower, the other candidate, got four in the first and two in the second.

John Mapes received 21 votes in the first precinct and 66 in the second in the republican race in Union township for trustee, making a total of 87. Jacob J. Clifton got 86, his vote in the first precinct being 72 and the second 14.

In the three-cornered contest for the democratic nomination for Posey township trustee, Charles E. Rucker won out by a plurality of eleven votes, his vote being 35 in the first precinct and 29 in the second. His nearest opponent, John M. Eaton, received 53 votes, 32 in the first and

### ENLIST IN NAVY SERVICE

Nettie Orme and Bertha Burton Sign  
up For Four Years

Nettie Orme and Bertha Burton, who went to Washington about two months ago, after taking the civil service examination for stenographers have signed up with the navy for four years and are still doing stenographic work. Both girls accepted government positions in the navy yards when they arrived in Washington, but Miss Orme after a few weeks, resigned and accepted a position with an automobile company.

### CROP OF WAR LIES BEING HARVESTED

Preposterous Stories Regarding  
Rushville Boys Serving in Army  
Are Being Circulated

### PART OF HUN PROPAGANDA

Stories of Local Boys Tell of Their  
Being Court Martialed and Shot  
For Deserting

A new crop of war lies has been harvested. The latest one is to the effect that Orpha George has been executed at Fort Benjamin Harrison for desertion from the regular army. Another one is that Ralph Wagoner was shot after being returned to Camp Shelby for being absent without leave.

These two stories are too preposterous to be believed. The fact that the offense in each case is so slight and that a soldier sentenced to death by court martial has the right to appeal to the President are within themselves conclusive evidence that neither of these stories are true. In such cases full publicity is always given. Press dispatches a few days ago announced that four soldiers in the American expeditionary forces who had been sentenced to death by court martial for sleeping on duty were pardoned when they appealed to the president.

These are only samples of the kind of war lies which have been circulated during the last few days. One was that a very wealthy Chicago woman had been given the choice of committing suicide or being shot for divulging war secrets. The story was that she had given the enemy information relative to the sailing of the vessel which carried the late Lord Kitchener, who was lost at sea.

Still another story is that Ruth Law the renowned woman aviator, who has been giving exhibition flights for the government and advertising the Liberty Loan, had been discovered to be a German spy and that she was a man disguised as a woman.

As has been repeatedly stated war lies of this sort are a mild form of

### SURVEY OF FUEL IS UNAUTHORIZED

Men Have Made Their Appearance  
in Various Parts of County  
Taking Fuel Census

### EVANS WOOLLEN IS NOTIFIED

No Indications of Offensive Propaganda  
Is Found in Questions  
Asked by Quiz Committee

Men who have assumed the title of "Fuel Census Takers" have made their appearance in Rush county and apparently without any orders from either the state or county administrators, are gathering information concerning the fuel conditions in Rush county.

The men have called at the homes of Rushville and Carthage residents and in all probability have visited other parts of the county, gathering the information. Although there is no indication of any offensive propaganda in connection with the census, it has not been authorized by the fuel administration.

The first appearance of the men was in Carthage where they canvassed the town, making a note of the kinds of fuel used in the homes and taking the names of the women or men who furnished the information. The men were reported to have visited homes in Rushville yesterday where the same sort of a canvass was re-enacted.

The men possessed no credentials, and R. H. Hill, representative of Ripley township on the County Council of Defense, reported the occurrence to S. L. Trabue, county fuel administrator for Rush county, who upon taking the matter up with Evans Woollen, state fuel administrator, learned that no fuel survey had been ordered from the state office. This is the first report of this nature which has been received at the state fuel administration office.

"People should always demand to see credentials of persons claiming to be doing special government work especially under the present war conditions," declared S. L. Trabue, county fuel administrator. "It is inadvisable for any persons to give out information which concerns a community without first being positive that the information seeker is an authorized employee of the government."

### SEVEN DIE IN CLOUDBURST

Clarksburg, West Va., May 8.—Seven persons were killed when a cloudburst struck the village of Big Isaac today. The flood carried a dozen dwellings and their sleeping occupants down a creek.

### FORMER KING IS ILL

Paris, May 8.—Constantine, former king of Greece is reported seriously ill at Zurich.

### GERMANS APPEAR READY TO STRIKE

Supplies and Troops Are Concentrated  
on West Front and Attack  
Seems Near

### VIOLENT ARTILLERY FIRE

British Troops Advance Line Between  
Somme and Ancre, Taking  
Several Prisoners

Paris, May 8.—The most violent artillery firing is under way north and south of the Avre river on the Amiens front, the French war office announced today.

London, May 8.—British troops have advanced their line between the Somme and the Ancre, taking several prisoners. Field Marshal Haig reported. Hostile cannonading occurred in Flanders during the night.

With the British Army in France, May 8.—Australian troops have advanced north of the Somme. One advance west of Morlancourt was to the depth of 300 yards on a 500 yard front. The other was three miles south and west of Morlancourt, 500 yards deep on a front of 800 yards.

Hindenburg appeared about ready to strike again. The vast machinery, composed of roads, railways, airplanes, bridges, and artillery concentration stands ready while great armies of troops refitted are awaiting words to hurl themselves into the fight.

Hindenburg has more than 80 fairly fresh divisions now preparing to strike.

With the American Army in Picardy, May 8.—The American artillery through the night was pounding German positions at Cantigny, Mesnil-St. Georges and woods in the vicinity. Enemy supply trains were subject to shells. The sky was ablaze with the light of the American artillery.

The German guns replied. The clearing weather has made observation excellent. French planes hover over the German lines in flocks. The front is a sea of mud.

Washington, May 8.—Today's casualty list contains a total of 75 names including 13 killed in action, three missing, two died from accident, three from disease and 54 wounded. Corporal K. L. Diver of Sunman, Indiana, was killed in action and Clyde Noel, Farmersburg, Ind., injured.

### R. A. INNIS SELLS OUT TO WALTER M. PEARCE

Disposes of His Interest in The  
Innis-Pearce and Park Furni-  
ture Companies

### NAMES TO REMAIN THE SAME

Walter M. Pearce has purchased the interest of Robert A. Innis in the Innis-Pearce and Park furniture companies of this city and will again become actively identified with the management of the two concerns, it was announced today. Mr. Innis' retirement from the furniture business marks the close of a period of many years in which he has been connected with the local establishments.

Walter Milton Pearce will remain as manager of the Park company and an experienced furniture man from Evansville will take over the management of the Innis-Pearce factory. The name of neither of the companies will be changed.

Mr. Pearce, who comes in active control of the two factories, has not been making his home here for a few years, having spent a large part of his time in California.

## WHEN WEANING PIGS

### Don't Let Worms Kill Your Hogs

Every thoughtful Breeder fears the "set back" when the pigs are shut away from the sow at weaning time. For two and even more weeks the pigs may scarcely grow at all because the pigs' digestive machinery does not at once make the shift from Nature's own prepared feed to the coarse, uncooked feed suitable for older animals. This "set back" of two or three weeks means a full month in the maturity of the hog for market or sale. Acme Pig Meal being a cooked, malted, and pre-digested food, rich in available protein, takes the place of sow's milk at once. The pig keeps right on growing and the growth is in bone and muscle, giving the animal a vigorous bodily development on which later weight can be added rapidly. Three weeks of Acme Pig Meal Diet will give you the largest ten weeks pigs you ever raised.

### ACME PIG MEAL

Is so delicately prepared that the "Baby Pig's" stomach can handle and digest it as it does the mother's milk.  
Very often the sow does not give enough milk for the large litters, and very often not even enough to enable the pig to hold his own, let alone pushing him along, and it is at that time the "Baby Pigs" must have some help, must have the REAL MILK SUBSTITUTE Acme Pig Meal, and if instead the "Baby Pigs" are fed raw, uncooked feed it means they will not thrive for the reason their delicate stomachs cannot handle and digest the raw feeds, and too, many of the litter will be "RUNTS," and they represent too large a per cent to be charged to the LOSS ACCOUNT.  
Acme Pig Meal is so cheap to feed, only costing 3¢ cents per gallon, that you cannot afford to be without it, and pigs fed the REAL MILK SUBSTITUTE always thrive and return a handsome profit, as it is the proper thing at the proper time.  
You cannot afford to feed your dairy milk, as the butter fat is worth \$600 per ton, but can AFFORD to feed Acme Pig Meal, the real milk substitute, as it contains the right amount of protein, fat and fibre and does what the cow's milk would do at one-fourth the cost.

## CANVASS MEETS READY RESPONSE

Business District is Being Solicited for Knights of Columbus War Camp Fund

### COUNTRY IS ALSO INVADED

First Reports Indicate Campaign Has Gained Popularity Throughout Whole County

The Knights of Columbus war camp fund drive in Rush county is progressing rapidly with the public in general making a liberal response to the call for money to aid the boys in the army camps.

Due to the fact that the banks were closed yesterday the drive slowed up somewhat but the solicitors are at work in full force again today and an excellent report is expected from the city solicitors this evening. The downtown districts are being canvassed by teams composed of one Knight of Columbus and one other business man.

The work in the country district began in earnest today and the first reports which were received at the drive headquarters indicates that the movement is one which has gained popularity through the entire county.

The general committee at the head of the campaign is urging the people to do all that is possible to further the work which has been given the hearty endorsement of the leading public men of Rush county, as well as of the state and nation. Posters, furthering the campaign, have been placed in all of the downtown stores and public buildings.

The valor and bravery of Knights of Columbus welfare workers who are with the American fighting forces in France, where they are facing many dangers as they administer to the comfort and morale of the boys in khaki, is being widely exploited by the press associations in cable news from the war zones of the western front. One of the conspicuous stories carried recently is of the Rev. Father DesValles, a Roman Catholic priest of New Bedford, Mass.

"Father DesValles is one of the most popular men with the American soldiers in the Apremont sector," the story said. "He is living with the men as a representative of the Knights of Columbus. In two recent attacks, when American troops were assisting the French to regain a trench in the Apremont wood which had been temporarily lost, Father DesValles, braving the dangers of shell and machine gun fire, went to the casualty clearing station near the front line to administer to the wounded. He assisted in dressing the injuries of the soldiers and gave each man a word of cheer and handed out cigarettes to the men who smoked."

"He's as game as they make them and every inch a soldier," said a doughboy, while other soldiers spoke of the inspiration given them by the priest.

While this is but one of a day's incidents in the Knights of Columbus war service among our boys "over there," it illustrates how Americans back home are reaching the soldiers with their money which they have contributed to the Knights. It is for continuation of the service and to expand it greatly that a fund is being raised in Indiana for the Knights of Columbus war work, the fund to go directly for the benefit of all American boys who are in the gory fray in France, or who are training in the camps in the United States.

### CROP OF WAR LIES IS BEING HARVESTED

Continued From Page 1  
German propaganda. They are often repeated by wholly innocent persons who thus become a party to the outrage.

To Farmers on Auto Highways  
Put up a big sign "Potatoes for Sale." Use big plain letters and set the sign at an angle so that automobilists can read it in time to slow down and turn into your roadway.  
Be prepared to deliver the potatoes in clean containers that will go between the seats of United States Department of Agriculture.

## SHORTAGE OF SUGAR THROUGHOUT WORLD

Does Not Exist in United States Alone But Also in Europe on Account of Devastation There

### TWO MILLION TONS ANNUALLY

May 8, 1918.

has failed to see the reason why he should cut his plentiful apportionment of two spoonfuls of sugar to the one of war time, he can find it in a recent publication of the United States department of agriculture explaining the world-wide shortage—especially the shortage among the allies—in the supply of sweets.

Not only has the supply of sugar in some parts of the United States been short, but there has been an actual shortage of more than 2,000,000 tons annually in the world since the war began, and the shortage is likely to continue, the publication says, primarily because of the destruction of a large number of sugar mills and the devastation of a considerable area of sugar-producing lands in Europe.

### ONLY ROUTINE BUSINESS

Only routine business was transacted at the regular meeting of the city council last night. A petition was presented asking that an electric pump on a water well in West First street be stopped because it makes too much noise.

## A Kidney Remedy Of Real Merit

For many years I have been selling Dr. Kilmer's Swamp-Root and I have always heard it spoken of in the highest terms of my customers who have used it. Swamp-Root is a remedy of merit in the diseases for which it is recommended and we take pleasure in selling it over our counters. Very truly yours,  
GEORGE A. CORNET, Druggist.  
April 20, 1916. Port Washington, O.

Letter to Dr. Kilmer & Co. Binghamton, N. Y.

Prove What Swamp-Root Will Do For You

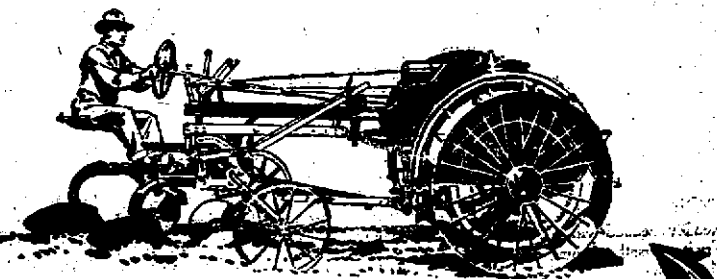

Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Rushville Daily Republican. Medium and large size bottles for sale at all drug stores.—(Adv.)

## MOLINE Universal Tractor

As Powerful as 5 Horses  
Does as Much Work as 7 Horses  
Costs Less than 4 Horses  
Requires Less Care than 1 Horse  
Less Room than 1 Horse  
Eats Only When it Works

### The Ideal Tractor

No other tractor on the market will do such a great variety of work, not in as correct in design and construction as the Moline-Universal. It makes the horseless farm possible. It pulls the usual 5-horse load—will do as much work as 7 horses, owing to its greater speed and endurance. It can be used for plowing, harrowing, planting, cultivating, haying and harvesting—in fact, all field work, and will deliver 12 horse-power on the belt.

### A Real One-Man Outfit

The Moline-Universal is easier to handle than a team of horses, weighs about the same, turns in a 16-foot circle and will back with the implement attached. It is compact, simple, close-coupled, a wonderful puller and carries no dead weight. And best of all, it is operated from the seat of the implement attached. This permits one man to operate both tractor and implement.

### Cut the Cost of Horse Labor

The cost of horse labor is almost one-half the gross operating expense on the average farm. A farm horse averages only 3½ hours work a day through the entire year, and tires in six. It costs from 12 to 14 cents per working hour to maintain a horse, and requires 23 minutes a day to care for him, or fourteen ten-hour days a year.

And yet there isn't enough power to plow as deep as scientific methods require; to harrow more frequently, so that organic matter will be utilized, moisture conserved, and a good state of soil tilth maintained; to cultivate more frequently; and to harvest at the proper time.

Let us tell you how the Moline-Universal Tractor can reduce the cost of power on your farm. It will pay you.

# OPENING--The Pastime Roller Rink!

SOUTH MAIN ST.

THURSDAY, MAY 9

RUSHVILLE, IND.

The Pastime Roller Rink will open for business Thursday May 9, 1918, at Rushville, Indiana, located on South Main Street. I have the best of equipment—using the Celebrated Richardson Ball Bearing Skates, second to none. Music by the Tonawanda Military Band. SKATING EACH AFTERNOON AND EVENING FROM 2:30 TO 4:30—7:30 TO 9:00 TO 10:00. SKATING FOR SMALL CHILDREN EACH SATURDAY FROM 9:30 TO 11 A. M. Regular price will be charged for skating. Ladies' sessions will be held in forenoon if desired. The public is cordially invited to attend all sessions. We desire the patronage of those only that will comply with the Rules of the Rink, and reserve the right to refuse to rent skates to any undesirable person. No swearing or disorderly conduct allowed.

GOOD FLOOR—GOOD MUSIC—GOOD SKATES—GOOD ORDER—GO OD TIME

## Personal Points

—Donald Smith went to South Bend this morning on business.

—Miss Carrie Conway has returned from a short visit in Anderson.

—Miss Janet Dean was the guest of friends in Richland township last night.

—Mrs. Ralph Harrold of Newcastle is spending a few days in this city, the guest of relatives.

—Mr. and Mrs. M. E. Riddle and daughter Margaret of Liberty motored to this city last night.

—Mr. and Mrs. Claire Thomas of Greenfield have returned to their home after spending a few days in this city, the guests of relatives.

—Mrs. T. J. Kelly of Louisville, Ky., who has been the guest of relatives in this city for a few days, has gone to Indianapolis for a visit with relatives.

—Taylor Walton and family of Greenfield motored to this city yesterday to visit Mr. Walton's mother.

Mrs. Mary Walton in East Sixth street.

—Lieut. Lowell M. Green of the infantry attached to the 139th field artillery at Camp Shelby, Miss., returned to camp this afternoon after spending several days with relatives here. Lieut. Green is making the trip in the side car of a motorcycle driven by Sam Gathman.

## CONTESTS IN THE TOWNSHIPS CLOSE

Continued From Page 1

21 in the second. Rolla W. Alexander got 46 votes, 27 in the first and 19 in the second.

Lowell Beach overwhelmed John Tribby in the race for the republican nomination for trustee of Posey township. He received 133 votes, 68 in the first precinct and 65 in the second. Tribby got 2 in the first and 3 in the second.

In the republican race for trustee of Orange township, Argus D. Wagoner got 30 in the first precinct and 51 in the second, as against 25 for John J. Riggs in the first and 23 in the second, giving Wagoner a majority of 33.

Davis Ross won out by ten votes in the contest for republican committeeman in precinct one of Orange township. The vote was 32 to 22.

John D. Price, victor in the race for the democratic nomination for trustee of Posey township, received 53 votes in the first precinct and 34 in the second. James D. Cross got 38 in the first and 27 in the second.

There were four democratic candidates for three places on the Walker township advisory board and Cyrus E. Inlow, who received the lowest vote, was eliminated. The vote was as follows: John H. Brown, 66 in first, 59 in second; Aubrey T. Craig, 60 in first, 56 in second; Rue Miller, 55 in first, 49 in second; Cyrus E. Inlow, 41 in first, 33 in second.

Frank M. Gordon, nominee for assessor on the democratic ticket in Washington township, got 53 votes in the first precinct and 70 in the second. Albert L. Canady received 48 in the first and 15 in the second.

In the race for the democratic

nomination for assessor of Orange township, Joe Brown, the winner, got 22 in the first precinct and 49 in the second. Shirley E. Miller received 33 in the first and 15 in the second.

Alva Newhouse was nominated by the republicans as candidate for trustee in Jackson township, receiving 45 votes against 35 cast for J. Ed. Caldwell.

Ernest R. Tittsworth, the incumbent, received a majority of 71 votes in the race for the republican nomination as trustee of Noble township, getting 63 votes in the first precinct and 67 in the second. His opponent, Omar Stevens, got 15 in the first and 44 in the second.

John E. Holmes won out by two votes in the race for the democratic nomination as assessor of Union township, receiving 19 votes in the first precinct and 13 in the second. E. F. Fry got 16 votes in the first precinct and 14 in the second.

George W. Spillman won the democratic nomination for trustee in Noble township, receiving 10 votes in the first precinct and 16 in the second, as against 3 in the first and 16 in the second cast for his opponent, Charley J. Smelser.

Township candidates nominated without any contest were as follows:

## A Dead Stomach OF WHAT USE IS IT?

Thousands? yes hundreds of thousands of people throughout America are taking the slow death treatment daily.

They are murdering their own stomach, the best friend they have, and in their sublime ignorance they think they are putting aside the laws of nature.

This is no sensational statement: it is a startling fact, the truth of which any honorable physician, will not deny.

These thousands of people are swallowing daily huge quantities of pepsin and other strong digesters, made especially to digest the food in the stomach without any aid at all from the digestive membrane of the stomach.

Mi-o-na stomach tablets relieve distressed stomach in five minutes; they do more. Taken regularly for a few weeks they build up the run down stomach and make it strong enough to digest its own food. Then indigestion, belching, sour stomach and headache will go.

Mi-o-na stomach tablets are sold by druggists everywhere and by Johnson's Drug Store who guarantees them.—(Adv.)

### Lay in Your Coal Now

"There is absolutely only one way to avoid the grief and hardships of a coal famine and that is for every consumer that is financially able, to immediately, without delay, make such arrangements as possible to get coal in storage during the next four months."

This assertion is the keynote of the argument presented in support of a resolution urging every consumer of coal, steam and domestic to place their orders for the next winter's fuel supply now, by Will J. Freeman, chairman of the coal production committee, to the Indiana State Council of Defense. The council adopted the resolution, which is in line with public pronouncements being made by state and federal fuel administrators.

Mr. Freeman further called attention to the fact that the March coal supply at the mines was lower than for January, during the severe blizzard. He said the mines are working but 60 per cent of their capacity, which renders it impossible to store up a supply for emergencies. In view of the coal situation, he added, there is no reason to expect coal shipments will increase later on.

Referring to the coal famine of last winter Mr. Freeman said: "There seems to be a disposition to forget that it was impossible to obtain coal at times last winter, and that such condition can exist again next winter. It is not only possible for such condition to obtain again, but it is absolutely certain to be as bad or worse than it was last winter, barring of course that weather conditions might not be so severe."

### Over There and Over Here

To our boys who have gone to France "over there" means over here in their home land. All America is thrilled with the newspaper reports of the gallantry of our troops as they drive back the attacks of the Huns, while over there in France our boys are thrilled by the reports which reach them of the unflinching generosity of Americans in standing behind them by buying Liberty bonds and by giving to the various war welfare funds.

Our fighters in France, as well as those in the training camps, will be keenly alert as to the outcome of the campaign to raise the war work fund for the Knights of Columbus. The success of raising this fund is highly important to our soldiers and sailors or it means that the Knights of Columbus will be able to go on with the work of providing comforts and pleasures for the men in training in the home land and on the firing line in Europe.

Because our community has given to two or three war welfare funds is not sufficient reason for not giving to the Knights of Columbus fund any more than a soldier could advance the reason that because he has gone "over the top" two or three times it is as much as we should expect of him. Giving and giving again is the chief duty of folks at home in supporting the soldiers. We know what we are expecting of our boys at the front and we know what we

## BOYS IN TRAINING SAVING AND THRIFTY

All Junk is Collected and Sold While Garbage Brings Substantial Funds Each Month

### REPAIRS SHOES FOR RELIEF

Camp Taylor, Ky., May 8.—The saving and thrift of Indiana homes hasn't anything on the saving and thrift of the Hoosier boys in training for Uncle Sam's army here.

Great care is taken, on orders of Maj. Gen. Hale, camp commander to collect all junk and sell it. The garbage even brings a substantial sum to the camp fund each month.

A force of 40 shoemakers is working constantly repairing old shoes. If they are not suitable for a soldier, although entirely in good shape they are sent to Belgium for civilians to use. Others are used by soldiers when on police and fatigue duty.

Thirty tailors repair and clean the uniforms. A hat blocking and a cleaning department has been started. Capt. J. L. Cranshaw is in charge of the reclamation work.

## Let All Who Can Do More

(STATE COUNCIL OF DEFENSE)

The best we can do, it will not be enough to meet all needs. We cannot make up the submarine losses nor replace the spent reserves.

Doing our utmost, not everyone in this country can keep within the allowance. Masses in crowded cities, with no proper kitchen outfit, depend on bakery bread and ready cooked food. Their habits are controlled by their circumstances.

Those who can must do more to maintain the margin.

Some wheat in any case must be brought from Argentina, the less the better. For every voyage to the Argentine is the same as taking two vessels from the short Atlantic ferry. Every vessel taken from that traffic keeps a regiment from the front.

Going without wheat adds directly to our forces in battle. Going without wheat lessens the shipping tension which limits our armed strength.

A splendid response comes instantly. Hundreds of hotels have pledged themselves to go without wheat until harvest. Households, communities, counties all over the land have cut down wheat to the limit of given it up altogether.

But the best we can do is too little. Let all keep within the allowance: let all who can, do more.

are expecting of us. We at home must be as unflinching in meeting our duty to them as they will be unflinching in their sacrifices for us.

Give to the Knights of Columbus war fund!

Congress has made a hundred million people get up an hour earlier, but it has not affected a single rooster.

The golf drive is near being driven out by the more prominent drives this season.

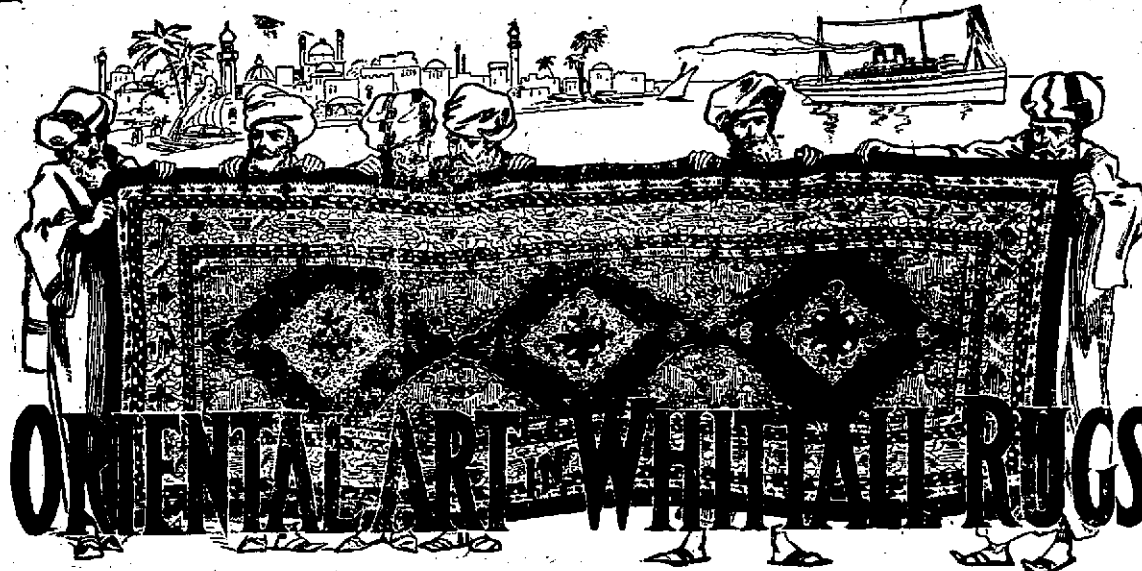

The wheels of the Russian war machine are accomplishing many revolutions.

## U.S. DEPT. OF AGRICULTURE HOW TO GROW Celery

Celery seed should be sown in the hotbed or window box about the time of the last frosts in the spring. The seed is very slow in germinating and the plants are small and delicate. They are improved by transplanting at least twice.

Celery requires a deep, rich, moist soil with plenty of well-rotted manure or fertilizer and frequent shallow cultivation. In the garden, celery may be planted after some early crop, such as lettuce, radishes, or peas. As soon as the plants attain considerable size the leaves should be drawn together and a little soil compacted about the base of the plant to hold it upright. If the blanching is done with earth, care should be taken that the hearts of the plants do not become filled. Boards, paper or other material may be used for blanching, but earthing will produce the best flavor.

## We Are Sole Distributors in Rush and Adjoining Counties of These Splendid Whittall Rugs

For your satisfaction as well as our own, we would rather sell you a Whittall Rug than any other brand, because in doing so we are selling you the best Rug made, and you will be sure to return for another whenever you are in need of another high grade rug. The great assortment of splendid designs in rich Oriental colorings makes the selections of a pattern for every room in the house an easy matter.

We have a Very Interesting Book about Whittall Rugs which we will be pleased to give anyone upon request.

## "A Young Man From This Office Is Serving His Country"

In these war times, men, not young men, form the rank and file of our patronage.

Men over the draft age, can assist by wearing garments until completely worn out. Have us dry clean, press and repair them at frequent intervals, and by so doing you will obtain the full value from them.

## Our Rug Cleaning Department

is now in full swing. We are being kept busy all the time. It is far better to have your rugs and carpets dry cleaned, dusted or scoured than to have them beaten to pieces by machinery which removes all the newness and fineness from the material. The cost is only a very little more on a 9 by 12 rug, but the satisfaction is MUCH more.

## Don't Fail to See the New Reo Light Four

THIS NEW REO MODEL is the epitome of Reo experience—and that, as every motorist knows, is the longest, most extensive experience in Motor Car building.

REO BUILT GOOD CARS long years before most of those now in the business had started. REO AUTOMOBILES HAVE always been good automobiles—rugged, dependable, and famed from the first for Low Upkeep.

SO SOUND HAS BEEN Reo engineering you have seen less Reo Models than of any other make—bar none.

THAT FACT ALONE should indicate to the prudent buyer that he would be more certain of choosing right if he just closed his eyes and said "Reo" than if he shopped for weeks up and down the Row.

WHEN YOU CONSIDER, for example, that the predecessor of this new Reo Light Four—that wonderful Reo the Fifth—was standard in practically the same form for eight seasons while its competitors changed yearly and oftener, the natural conclusion must be that it was a marvelous product.

THIS NEW LIGHT FOUR is a refinement of that Reo.

IN ALL MECHANICAL ESSENTIALS it is the same—but refinements have been made wherever our engineers could find a better way. IN OUTWARD APPEARANCE it is one of the classiest cars of the year.

UP TO THE MINUTE in design—every line and curve and every detail of finish is in the latest style.

AT THE NEW YORK SHOW where dealers and the public got the first glimpse of this latest Reo the exclamation most often heard was "At last the Reo Four looks as good as it is!"

AND THAT SUMS IT UP—mechanically you know there has never been a better motor car. PERHAPS WE DID concentrate on the engineering features to the neglect of mere outward appearance. Perhaps.

AND YET—AND YET—never has there been a more popular automobile—never one the demand for which always so greatly exceeded the output.

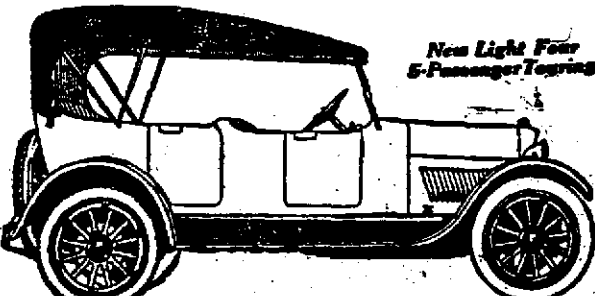

NOW YOU RECEIVE BOTH in this new Reo Light Four—a chassis that is recognized wherever motor cars are known, as the most rugged, the most dependable; the most simple and the most accessible.

INCORPORATED ALSO in this latest model are those features of design and that quality of materials which have resulted in an upkeep cost lower than any other car ever made;—AND PLUS APPEARANCE—a body that in design and finish is fully in keeping with the mechanical excellence of the car.

STUDY EVERY DETAIL of this new Reo Light Four—and say if you have ever seen anything that so fully conforms with your own ideas of what an automobile should be.

## NO SUBSTITUTE TO TAKE MILK'S PLACE

Nothing Will Stimulate Growth of Children or Others Who Need Essential Food Elements

SHOULD BE GIVEN TO CHILD

Dr. H. E. Barnard Says It Should be Kept in His Diet Just as Long as It Possibly Can

Indianapolis, May 8.—There is no substitute for milk to stimulate growth of children or for others who need essential food elements in most digestible form.

This statement was made to the United Press today by Dr. Harry E. Barnard, food administrator for Indiana and it conveys the policy of the United States food administration in reference to milk and substitutes which may be proposed.

"For the proper nourishment of the child it is essential that milk should be kept in the diet as long as possible," said Dr. Barnard today. "Not only does it contain all the essential food elements in the most available form for ready digestion but the recent scientific discoveries show it to be especially rich in certain peculiar properties that alone render growth possible. This essential quality makes it also of special value in the sick room. In hospitals it has also been shown that the wounded recover more rapidly when they have milk."

"For the purpose of stimulating growth and especially in children butter fat has no substitute. During the last winter when much agitation arose in some of the larger cities over the price of milk which was advanced from two to three cents per quart by reason of the rapid rise in the cost of feed and labor, many families among the poorer classes were found giving their children tea and coffee instead of milk. Such methods of feeding fails to nourish the child properly. The wildest possible publicity should be carried on through public channels to bring these essential facts to the attention of all mothers."

"In spite of the shortage of milk in Germany that country has at all hazards maintained the milk ration of the children and in the hospitals, even though to do so has meant that the adult population has had to forego largely its use. In a 'safety first' health campaign it must be remembered that it should be 'children first.'"

## AUTOISTS AID FARMERS

By Calling at Farms to Purchase Potatoes, Carrying Them Home

Washington, May 8.—Pleasure-car owners can help farmers, help their families, and help the Nation stop a serious waste of food if they will make it a practice to buy Irish potatoes from farmers and bring them back, or home use in their cars.

Some 30 million bushels of potatoes are on hand and unless consumed are likely to spoil or sprout within a few weeks. Many farmers have been unable to move their holdings because of transportation difficulties. Autoists can help them move their surplus and thus make available one of the best substitutes for wheat.

## VINOL MAKES CHILDREN STRONG

And Invigorates Old People

Any doctor will tell you that the ingredients of Vinol as printed below contain the elements needed to improve the health of delicate children and restore strength to old people.

It Cod Liver and Beef Peptides, Iron and Manganese Peptides, Iron and Ammonium Citrate, Lime and Soda Glycophosphates, Casein.

Those who have puny, ailing or run-down children or aged parents may prove this at our expense.

Besides the good it does children and the aged there is nothing like Vinol to restore strength and vitality to weak, nervous women and overworked, run-down men.

Try it. If you are not entirely satisfied, we will return your money without question; that proves our fairness and your protection. Millions of people have been convinced this way.

J. B. JOHNSON & CO., Drugists, Rushville, and at the best drug store in every town and city in the country.

## "SKY PILOT" DIVISION NEW ONE AT TAYLOR

Unit is Composed of Chaplains and Approved Chaplains Candidates From Three States

STARTS AT FORTRESS MONROE

(By United Press.)

Camp Taylor, Ky., May 8.—The "sky pilot" division of this camp which was recently started is attracting unusual attention from the regular men in training here.

The new unit of men in training is composed of chaplains and approved chaplain candidates from Illinois, Indiana and Kentucky. The training course extends over a period of five weeks and is designed to acquaint the ministers with the routine of army life and to aid them in improving their physical condition so that they will be able to withstand the rigorous army work.

The school was first organized at Fortress Monroe but was moved to Camp Taylor at the start of the third training course.

## Amusements

### Performing Animals With Circus

Performing wild animals consisting of lions, leopards, pumas and other species of forest bred beasts have been added to Gentry Bros. Famous Shows until the title of Wild Animal Circus has been affixed to the trademark of this popular firm. Many new acts and features are in store for the patrons of Gentry Bros. Shows, which will exhibit here on Wednesday, May 15. The street parade will contain all of the old favorite animal performers as well as the new department of performing wild animals. Clowns and other novelties that are new to this show will take part in the procession and all the little folks should be on hand to see the dogs and ponies and elephants in their parade dress.

### Serial Starts at Gem

"Make way for the true Waldon, born of the lust for profit out of blood. I shall snuff out your light and rule in your place. I am come to claim my own."

This warning given. Winthrop Waldon, head of the great Waldon War Works, marks the opening of Pathe's big new serial, "The House of Hate," starring Pearl White with Antonio Moreno, to be shown publicly for the first time at the Gem Theatre today. Quite naturally this message makes him more anxious than ever to settle upon his successor and he warns his daughter, Pearl who has just come of age, that she must not thwart his wishes.

Clyde Garrick, a private detective, is summoned by Waldon and shown the warning note. Waldon tells him there is a family secret, which he will reveal to him the next day.

Does he tell the secret to the detective? It is up to you to find out tonight.

### Alice Brady at Princess

Alice Brady who will appear at the Princess theatre this evening in a highly thrilling melodrama is at her best in her new modern picture, "Woman ad Wit." The picture has an attractive setting and the popular young actress is supported by an excellent cast. In addition there will be the Pathe News pictures. Tomorrow's program is one of unusual interest, and the picture "The Spirit of the Red Cross" is especially interesting at this time because of the approaching Red Cross drive. The story of how our dollars are making things a bit more comfortable for the boys in France attractively interwoven.

The story of a patriotic young American who, together with several veterans of the Civil War, rescues the whole township from an impending disaster and the perils of a strike at the mines, "The Spirit of '17" furnishes clever young Jack Pickford (brother of our Mary) with a screen success which brings out his very best work. Written by Judge Willis Brown of the Chicago Juvenile Court, arranged for the screen by Julia Crawford Ivers, "The Spirit of '17" was directed by William D. Taylor who has been responsible for many of Jack Pickford's recent Paramount successes, such as "The Vagrant," "Jack and Jill," and "Tom Sawyer." The

## Ask Pupils To Help In Cleaning Up

Members of Woman's Council Call on School Children to Assist in Making Clean-up Week the Success the Authorities Desire it to Be. Old Officers of Council Re-elected.

In order that clean-up week, which is being generally observed in Rushville this week, will be the success the authorities desire, the school children have been asked to co-operate and to promote the clean-up program in every part of the city.

This measure was decided on at the meeting of the Woman's Council Monday evening and yesterday in all of the school rooms in the city, instructions were given to the children who are being asked to assist in collecting rubbish to be taken away by the city employees. Special care is being taken this year in the clean-up program for the city. Officials are making an attempt to stamp out every epidemic breeder by making a thorough cleaning of the city.

The Woman's Council entered into the second year of their work in Rushville at Monday's meeting and following a report of the nominating committee, the officers who served during the past year were re-installed in office. Mrs. T. M. Green was re-elected president, Mrs. Lon Stewart, vice president, Miss Anna Bohannon, treasurer and Miss Marjorie Smith secretary.

The report of the visiting nurse, Miss Anne Straight, disclosed the fact that Rushville is free from any serious epidemic and although there are numerous cases of whooping cough among the school children and several cases of grippe, there is a very small amount of pneumonia which has been prevalent in Rushville at this time in former years.

The W. R. C. penny social was held yesterday afternoon at the home of Mrs. Ben Goodin in North Perkins street. Mrs. Goodin was assisted by Mrs. Worth and Mrs. Wilson. The service flag which is to be presented to the W. R. C., was exhibited, and final arrangements were made for the formal presentation, May 17th.

The Woman's Home Missionary Society of the St. Paul's M. E. church will meet with Mrs. Fanny Smith at her home in North Harrison street tomorrow afternoon.

Mrs. Jack Knecht will entertain the Thursday afternoon Bridge Club tomorrow afternoon at her home in East Sixth street.

## WHILE AT WAR Women Suffer at Home

GOSHEN, IND.—"Dr. Pierce's Favorite Prescription has given me such great relief that I am glad to tell of it so that other women who suffer may know what will help them. I was all run-down in health, became very weak and nervous and could not eat or sleep. Nothing seemed to do me any good until I began taking Dr. Pierce's Favorite Prescription and his Golden Medical Discovery. They proved to be just what I needed, as they soon built me up and I could eat and sleep well. And just a few years ago, when I was going through middle age, I took the 'Prescription' and it brought me through the critical period in the best of health."—Mrs. CHRISTINA KIMMORSE, 219 South 10th St.

"Favorite Prescription," the everlasting friend to ailing women, and "Golden Medical Discovery," the greatest general tonic, are both put up in liquid and tablets, contain no alcohol or habit-forming drugs, and are to be found in nearly all drug stores. The tablets cost 60 cents. These medicines of Dr. Pierce's have enjoyed an immense sale for nearly 50 years, which proves their merits as well as the statements made by users. If not obtainable at your dealer's send 10 cents to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., and he will mail trial package of either tablets; also write for free medical advice, if there is need.

Dr. Pierce's Pleasant Pellets for the liver and bowels have also been favorably known for nearly 50 years.

## Social Calendar

### Thursday

Thursday Afternoon Bridge Club with Mrs. Jack Knecht in East Sixth street.

Thursday Afternoon Bridge Club with Miss Bertha Helm in West Fifth street.

Birthday dinner at the home of Mr. and Mrs. Homer Powell.

The Woman's Missionary societies of Glenwood and Ben Davis were entertained with an all day affair yesterday by Mrs. H. C. Haskett, assisted by Miss Ivah Daubenspeck, at her beautiful country home east of the city. The rooms were tastefully decorated with narcissus, lilacs and ferns, carrying out a color scheme of green and white. The women spent the morning in piecing quilts, the material for which was given by Mrs. Haskett, one for each of the societies—Glenwood and Ben Davis. The quilts are to be presented to the College of Missions when finished.

At noon a splendid pitch-in dinner was served, in the dining room, where spring flowers were used in profusion. The table was beautiful with a centerpiece of white narcissus and ferns adorning it.

The program given in the afternoon was led by Mrs. Will Gray, and consisted of the following numbers: Mrs. Lida B. Pierce, state secretary of the C. W. B. M. gave an interesting and instructive address urging the women to give more time to the work; an outline of the Rush county work was explained by Mrs. Joe Amos; and Mrs. J. D. Case conducted a questionnaire on the work of the society.

At the close of the pleasant day Mrs. Peirce was presented with several jars of canned fruit by the societies.

Miss Helen Gray entertained at her home east of the city last night with a prettily appointed dinner party. The dining room was attractively arranged for the occasion with clusters of apple blossoms and dainty cards marked the covers for the guests, who included Miss Jean Sparks, Miss Joan Weakley, Miss Laverne Bishop, Miss Marguerite Kelly, Havens Frazer, Merle Winkler, John Keating, Harold Miller and Franklin Norris.

Mrs. Roy Lines and Mrs. Claude Spillman spent Friday in Indianapolis, where Mrs. Lines attended an annual Violet Luncheon given by the Tri Psis, mothers of the members of the Delta Delta Delta sorority, and was initiated into the Tri Psis. After the initiation, the active chapter of Tri Deltas of Butler College staged a very clever minstrel, which Mrs. Spillman attended.

Miss Helen Seudder was hostess to the members of the Psi Iota Xi sorority at the regular meeting which was held at her home in West Second street last night. Following a short business session, the evening was spent in Red Cross sewing and a dainty luncheon was served by the hostess. Plans were made for a Hoover pitch-in supper to be given next week.

The Emanon club will meet with Mrs. Leanne Blackledge Friday afternoon at her home in 912 North Main street.

## Red Cross Notes

There will be no more surgical dressing classes for awhile. Announcement will be made later as to when the classes will be taken up. Those desiring to take the whole course in surgical dressing may consult Mrs. A. L. Gray.

School District No. 3, Wayne township, Wayne county, has organized a War Savings Society and has sold \$360 worth of stamps.

## BUY THRIFT STAMPS

## Registration Cards Are Called In

Rush County Women Wearing Service Pins Have Registered Hundred Per Cent in County and Are Eager to Serve. Registration Work is Enjoyed by Registrars.

Rush county women who are wearing service pins are the ones who have registered one hundred per cent, according to local registrars. The women of the county who have been left behind is not satisfied with having given a husband or a brother to her country but she wishes to give her own service.

This fact was made known at the registration headquarters when complete official reports of the registration in various parts of the county was tendered. Women who have given members of their families to the army are enlisting their services in every phase of service, both paid and unpaid, clerical and war relief work.

Mrs. Louis Lambert, chairman of the registration committee, has notified all of the sub-committees through the county that the cards must be returned completely filled by the last of the week in order that the tabulation may be made and the cards made ready to send to the state headquarters by the middle of next week.

With reports still coming in, 2,000 cards have been turned in at the registration headquarters.

Numerous club, stores, social and church organizations have registered with a one hundred per cent record and the executive committee is anxiously awaiting the final reports which will doubtless show an excellent response of the women of Rush county in this particular request of the government.

The registration of women for war work is as interesting a study in democracy as was the registration of men for military duty, according to county registrars. Women of all nationalities confronted them in every case, but after they understood the meaning of the registration, filled out the card eagerly, willing to do their bit in the world struggle against autocracy.

Mrs. J. E. Bean chairman of the registration work among the colored women has completed the work with great success and has succeeded in registering seventy-six out of the eighty-two women in her district. The assistant registrars were Mrs. Elizabeth Marshall, Mrs. Robert Miller and Mrs. H. L. Bundrant.

## TIRE COMES OFF AND CAR SKIDS OFF ROAD

Miss May Bickhart Escaped Serious Injury Because She Was Not Driving Fast

## AUTO PARTLY TURNS OVER

Miss May Bickhart, daughter of Mr. and Mrs. C. J. Bickhart, of West Second street, escaped injury Monday evening when a tire on her automobile came off and the machine skidded into the ditch.

The accident occurred north of the city and the fact that Miss Bickhart was driving slowly probably was responsible for the absence of any serious results. When the tire came off suddenly, the driver was unable to keep the car in the road and it ran into the ditch, partly turning over. The machine was only slightly damaged and the occupants of the car escaped without injury.

## ATTENDS MOTHER'S FUNERAL

Mrs. Mary Brown has returned from Greentown where she attended the funeral of her mother who died April 28, at the advanced age of 88 years. The deceased was formerly a resident of Noble township but moved to Howard county thirty-seven years ago to the farm where she died. She is survived by her husband who is 90 years of age.

# "THE HOUSE OF HATE"

## SUCH ALLURING DRESSES

How pretty they are, and what a wonderful array to choose from! Seldom if ever has it been our privilege to offer our patrons such attractive styles and splendid materials as is contained in our showing for May. The diversity of fabrics and colors is almost bewitching, and we are sure that you will be more than pleased with their individuality.

There are scores of models in chiffon taffeta, crepe de chene, satins, poplins, silk gingham and georgette combinations. It is surprising how reasonable are the prices considering the exceptional workmanship.

Choose from these at and gradually up to \$39.50 — \$10.00

Attractive indeed are the misses' and ladies' dresses of beautiful plaid and stripe gingham, voiles, linene, and linen. You will wish at least two of them.

## SOMETHING NEW

an innovation that will go big—the two piece wash suits with sleeveless coats. They are of cotton gabardine, plain white or check or stripe. See them.

## FOR THE GRADUATE

As usual this store is headquarters for the regulation middie suits of coarse linen. Do not wait until the last moment, for the supply can not last long.

## COUNTY BEING CONGRATULATED

Letters and Telegrams Received Praising Accomplishments in Third Loan Campaign

## RECOGNITION TO BE GIVEN

In Addition to Honor Flag, Townships Oversubscribing Excess Will Get Extra Stars

The record made by Rush county in the latest Liberty Bond issue is one of the most splendid in the Seventh Federal Reserve district and has resulted in letters and telegrams of congratulation flooding the county Liberty Loan headquarters, from every state and district official.

The final total of \$707,950 as reported at the district headquarters represent 161 per cent of Rush county's quota. "You have made a record for which I wish to extend the heartiest congratulations," wrote George H. Duncomb, director of sales in Indiana. Because of the excellent work accomplished by the third liberty loan organization here, the director of sales suggested the same committee be reappointed to have charge of the next issue.

An additional honor in recognition of the response of the people of the various communities is being given to townships or communities which have subscribed in excess of their 150 per cent quota.

In addition to the Honor Flag which is awarded to any community upon the attainment of the community's quota, there are awarded stars to be placed on the white field of the flag for the unusual attainments. The stars are issued in sets of two each, to be sewed upon both sides of the flag so that one star is visible from either side.

The system of award is as follows: One set of stars is awarded upon the attainment of the two hundred per cent of the assigned quota; another set for each hundred per cent additional. Rush county communities entitled to the stars for large over-subscription may obtain them by advising the loan headquarters here that they are entitled to the recognition.

## RUSH COUNTY MUST FURNISH 4 DOCTORS

Capt. Cecil Wayman of Camp Taylor Medical Corps Addressed County Physicians Yesterday

## COUNTY HAS 22 PHYSICIANS

Capt. Cecil Wayman of the medical corps at Camp Taylor, Ky., addressed the meeting of the Rush county medical association in the sheriff's office at the court house yesterday afternoon in behalf of enlistment for medical service.

With two physicians from Rush county already in active service, the county's quota for the present state drive of 400 doctors has been placed at four as Rush county has twenty-two physicians and is asked to furnish one out of every five doctors for army service.

The meeting of Rush county physicians was in co-operation with other meetings which were held in every county in the state, in memory of the sinking of the Lusitania and at the same time furthering the medical enlistment. Twenty physicians attended the meeting at which steps were taken to furnish Rush county's quota of doctors. Cards and blanks for application were distributed and Capt. Wayman explained in detail the necessary steps for enlistment. The call is being made for doctors between the ages of 22 and 55.

Lieut. C. J. Tucker and Lieut. Lowell M. Green, former Rush county physicians, are stationed at Camp Shelby, Miss.

communities entitled to the stars for large over-subscription may obtain them by advising the loan headquarters here that they are entitled to the recognition.

## LIGHT VOTE IS POLLED

Indianapolis, Ind., May 8.—Although returns in yesterday's primary were slowly coming in today it was certain that all of the present Indiana members of the house of representatives were again nominated. An extremely light vote was polled.

## TO INTRODUCE HOME RULE

London, May 8.—Chancellor Bonar Law announced in the house of commons this afternoon that the government hopes to introduce Irish home rule next week.

Pupils of the public schools of Richmond have purchased War Savings and Thrift stamps amounting to \$9,007.68.

## ALMOST THE EQUAL OF TWO YEARS AGO

Continued From Page 1  
publican nomination for county assessor, by the majority of 760. The vote was 1479 to 719.

Other candidates nominated on the county ticket without opposition follow:

## SUIT NEW BUT HOLE IN SHOE

Bad Teeth Like Bad Shoes  
Spoil Fine Dress and  
Good Looks

PEOPLE NEGLIGENT  
IN CARE OF MOUTH

Senreco Tooth Paste Power-  
ful To Save the Teeth and  
Prevent Diseases

"All dressed up with a hole in his shoe," was a bit of sarcasm a girl flung at a young man friend whose entire outfit was new except his punctured shoes. Right enough, too. Either to man or woman a shabby pair of shoes would spoil the appearance of the most elegant garments ever worn.

What about the teeth? Dress in all the finery you please, if you open your mouth exposing a decayed set of teeth your attractiveness ends right there. That's a hole in the shoe for you. This applies both to men and women. Girls, and young men, you lose half the admiration which would be directed toward you if you have bad teeth. You can't be pleasing with a mouthful of decay. You can't be healthy either. The condition of the teeth have a telling influence on other organs of the body. Bad teeth affect the intestines, stomach, heart, and even the eyes. Medical science shows that bad teeth produce unhealthy conditions all over the body.

With Senreco Tooth Paste at your service—a scientifically prepared preventive of Pyorrhea—there's no need of failing a prey to these ills. No need of having a mouthful of decayed teeth. Used regularly on a set of good teeth the deadly germs have little chance to enter. If you should enter they can't exist long under its thorough cleansing properties. As a cleanser and preventive of disease of the teeth it is positively reliable. Advanced cases should be treated by your dentist.

Use Senreco Tooth Paste as a preventive. Ask your dentist if you should not pay attention to your teeth. Of course we won't say our Tooth Paste will cure Pyorrhea. If you already have it, your dentist is the doctor. But if you are afflicted with this terrible disease Senreco Tooth Paste will help you to get rid of it, with your dentist's assistance. But we don't want you to contract any ailment of the mouth and teeth, nor does your dentist.

A preventive is far better than to have to go through the trials of a cure. Save your teeth by Senreco Tooth Paste and the probability is that you won't have to deal with foul and painful diseases. By taking excellent care of your teeth you may save stomach, intestinal, heart and eye troubles. Take all precaution to keep the teeth clean and do it with Senreco Tooth Paste, the latest discovery of dental science. Senreco is Senreco free if you wish. Senreco Tooth Paste, Cincinnati, Ohio.

## WILSON WINS OVER JAPS IN SIBERIA

Statements from Officials Declare  
Country Will Not Go to War  
Unless to Uphold Allies

### ABANDON TROOP MOVEMENT

Japanese Say They Do not Believe  
Their Stepping Into the War at  
This Time Would Be Justified

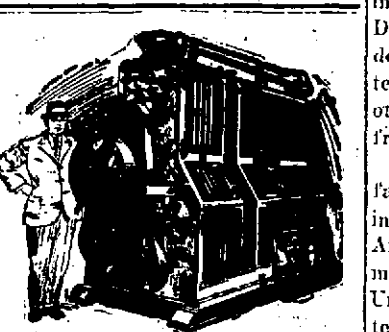

(By United Press.)

Tokio, March 23 (By Mail)—The Japanese Government is perfectly aware that the war situation is fraught with the most momentous consequences, but the people must rest assured that Japan will never embark on an unnecessary war. We will not hesitate to go to war to uphold the interests of Japan, as well as the Allies, but such a step has not yet been justified.

This statement, made by Premier Count Teruchi in the National Diet, may be taken as a pretty accurate summary of Japan's attitude today toward Russia and the possibility of Japanese intervention. This calm declaration of the Premier, coupled with the sympathetic policy of President Wilson and the United States toward Russia, has about quieted the clamor for an immediate Japanese military expedition to Siberia which was resounding throughout the Island Empire but a few days ago.

Indeed it is remarkable, now that the idea of hasty action in throwing a million troops into Asiatic Russia seems to have been abandoned, to recall the situation a fortnight ago. A countrywide mobilization order was expected momentarily, reservists had been directed to remain at their homes, wild rumors of a land- ing at Vladivostok were reported and newspaper correspondents were preparing to hie themselves toward the frozen banks of the Amur.

Whispers of war, made with bated breath and lowering eye brows, spread from the columns of the press to the little one-storied homes and shops of Tokio, there was some- thing in the atmosphere of Nippon similar to the ominous, silent tense- ness felt on the eve of the Russo- Japanese conflict over a decade ago. There was no emotion, no fear—the Japanese are taught to conceal their feelings—but there was a grim re-

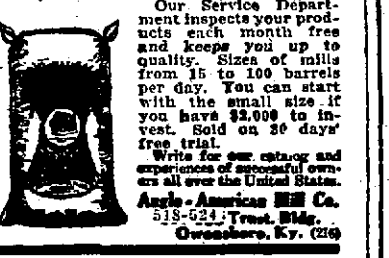

During the period of the war, we will not sell an American Midway Mill unless its purpose is to supply the local needs of a com- munity, or our Government with flour and feed.

DO YOUR BIT. Help the Gov- ernment by saving the freight on wheat and flour. Relieve the rail- roads of this unnecessary congestion by establishing in your community one of these wonderful American Midway Mar- vel Roller Flour Mills.

### And Make Money, Too

\$150 to \$1,000 per month can be made with this permanent, substantial and dignified business. This wonderful self-contained roller mill is revolutionizing milling. Makes splendid flour at a better yield than the Government requires. One man without previous milling experience can run it successfully. Small cost, small power, easy operation, makes it to be a "Better Barrel of Flour Cheaper." You can sack your flour under our nationally advertised brand "Eagle."

Our Service Department inspects your prod- ucts each month free and keeps you up to quality. Sizes of mills from 15 to 100 barrels per day. You can start with the small size if you have \$2,000 to in- vest. Sold on 30 days' trial.

Write for our catalog and experience of successful owners all over the United States. Anglo-American Mill Co. 515-521, Trust Bldg., Owensboro, Ky. (24)

FOR RENT—furnished sleeping or light housekeeping rooms; mod- ern conveniences. Phone 1071, 332 N. Morgan. 1631f.

## PLANT ONLY SEEDS THAT ARE NECESSARY

Gardener Should Not Sow Them Too  
Closely Together Because he  
May Get Poor Crop

### MAY CREATE A SCARCITY TOO

Washington, May 8.—People who buy more garden seeds than they need or sow seeds too thickly will be depriving someone else of seeds and may cause a scarcity, according to garden specialists of the United States Department of Agriculture.

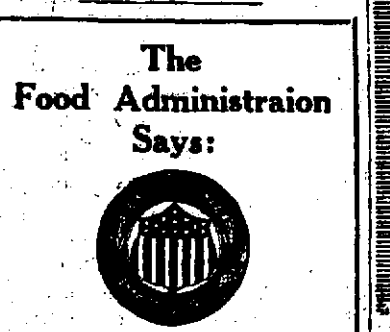

It is easy to plant more seeds than is necessary when the assumption is that a few more or less will make no material difference. Later the extra plants have to be thinned out or, more often, are left to crowd together and produce an inferior crop.

It is assumed that before pur- chasing the seeds, the garden plan has been carefully made and the ac- tual amount required has been de- termined. If this is done, there will be no occasion for waste. The most successful market gardeners figure very closely upon the amount of seed required. They buy the best ob- tainable and then plant only the re- quired number to the hill or row.

A large section of the press, aided by talkative statesmen, publicists and professors, loudly voiced their impatience at the seeming dilatori- ness of the government in sounding the call to arms. It was even hint- ed that the American attitude was responsible for preventing the sal- vation of Russia and the crushing of the German menace by Japan.

It's all different now. Overnight, almost, came the realization that a military expedition to Siberia might in many ways be impracticable, that the German menace was yet a long ways from the Orient and that there might be ways of saving Russia other than invading her territory, with the risk that she would be thrown into the waiting arms of Germany. Domestic opposition to intervention developed, there was talk of a minis- terial crisis. Tonnage, finances and other items forced themselves to the front.

Most important, however, of the factors which determined calmness in dealing with Russia was probably America. It is now recognized in the most responsible quarters that the United States is not opposed to in- tervention in principle, nor does she question Japan's motives, but that she does not wish to run the risk of arousing Russian hostility against armed intervention unless the Ger- man penetration eastward makes such a policy absolutely imperative. It is also appreciated that if the dispatch of Japanese troops should become inevitable Japan would be backed in her movement by every ounce of aid America could give her. In the meantime, Premier Count Teruchi is endeavoring to steady the restive elements.

The Food Administraion Says:

Before the war, Germany was four-fifths self supporting. Eng- land only one-fifth, France one- half, and Italy about two-thirds. Now that all these countries are shut off largely from outside sources of supply, Germany is naturally much better off than any of our Allies. Germany can raise most of her own food. The Allies must depend almost abso- lutely on the United States.

The First Ward School of Frank- fort has purchased War Savings Bonds and Third Stamps amounting to \$1,200.50.

# THE RIGHT KIND OF HOSIERY

Considerable emphasis is laid on the question of prices by some stores when hosiery is concerned, yet they seem to forget that no matter how low a price, if stockings are not thoroughly dependable, a saving of a penny or two proves in the end a loss.

Every saving we can effect on hosiery or any other item in the store is a real worthwhile saving and not deducted from the quality.

Today we have them in all the wanted colors—chocolate, champagne, grey, green, etc., in hse and silk at 75c to \$2.00 pair.

## PROGRAM FOR THE CONTEST TONIGHT

High School Pupils, Disappointed in Not Being Able to go to Shelbyville to Participate

MUSIC, READINGS, ORATIONS

Prizes Will be Given to Winners of First, Second and Third Places in Contests

The pupils of the high school will hold an oratorical, musical, and reading series of contests tonight promptly at 8 o'clock, at the Graham Annex auditorium. These pupils had planned to enter the contests for places at the triangular meet at Shelbyville this week-end, but the other schools in the league failed to get ready for the meet. The pupils here then agreed to give a local contest. The program is given below.

Contest in Violin.  
Lois Reeve—"Hungarian Dance,"  
—by Haesche.

Contest in Oratory.

Paul Spivey—"A Plea for Cuba,"  
Gladys M. Bebout—"Toussaint L. Overture."

Harold Perkins—"Solving Principles of Industry,"  
Katherine Wooden—"The Hero of Compromise."

Robert McBride—"The Meaning of the War."

Contest in Voice.

John Norris—"The Last Call," by Sanderson.  
Kathryn Guffin—"An Open Secret," by Woodman.

Charlotte Norris—"Forest Oaks," by MacFaydyn.

Contest in Reading.

Gladys M. Bebout, "Marguerite."

The doors of the auditorium will be open at 7:40 o'clock and the contest will begin promptly at eight o'clock. Everyone is urged to attend and encourage these young people for their work.

Judges from out of the city have been secured, three for music and three for oratory and reading. Prizes will be given to the winners of first, second and third places. An admission fee of ten cents will be charged in order to defray expenses of judges and prizes.

Places on the program will be determined by lot.

## PROGRAMS AT CLOSE OF MUSICAL STUDIES

Being Held in Grades And High School This Week—One at Havens School Tomorrow

JUNIOR HIGH SCHOOL FRIDAY

Programs which mark the closing of the musical studies in the local schools are being held in all of the departments of the grades and high school this week.

Yesterday afternoon a program was given in the high school assembly room by grade pupils and was one of the most enjoyable affairs of the entire school year. The unusual ability of Miss Louise Pitman, who have several monologues and the harmony in the voices of Maxine and Lucile Brown was astonishing and the program which featured the three fifth grade girls was appreciated by the entire high school.

A similar program was given today in the Havens school and Friday afternoon at one o'clock the students of the junior high school will be entertained by a program given by both high school and grade pupils.

## CIVILIAN RELIEF IS BUSY

6087 Families Furnished Information Thus Far

Indianapolis, Ind., May 8.—Sixty hundred and eighty-seven families of soldiers in Indiana have been furnished relief and information by the civilian relief division of the Red Cross, it was announced today. More than \$5,000 is spent each month in the state for this sort of Red Cross work.

Eugene C. Kallen of Indianapolis has been appointed to aid in field work of Red Cross activity in Indiana.

## DAILY EXPOSED TO BOCHE SHELL FIRE

Corporal Weidner Who is in Midst of Fight Says he Enjoys the Excitement of Trench Life

FIFTY YARDS FROM GERMANS

Describes Enemy Surprise Attacks Which Sammies Expect Nightly —Put Invaders to Flight

Although daily exposed to the fire of the boche, Will Weidner, a former Rush county boy in a letter to relatives here declares that the excitement is "great" and that he wouldn't trade his front line position for a more secure one in the rear.

Corporal Weidner has been in the army for two years and was among the first of the Rush county boys to see service on the French battle front. He enlisted in the summer of 1916 in the regular army and saw service on the Mexican border.

"I have just returned from the front where we have been in the trenches for two months," wrote the young infantryman. "It was the real front this time with the boche only fifty yards from us. The entire eight weeks we spent struggling with the Germans was filled with excitement and the numerous surprise attacks with which we were visited kept us continually on the alert as we expected their visits almost nightly."

"One of the raids which I remember particularly occurred after the Germans had shelled our trenches and an officer and a squad of men came over the top into our trench to the company commander's dugout. He was armed with grenades and as he came to the door he called out in German for the Americans to surrender and expected them to come out with their hands up. Imagine their surprise when they were met by an old first sergeant who had served in the Spanish-American war, who greeted them with a forty-five revolver in his hand."

"The invaders were taken by surprise but threw a grenade at the sergeant which bounced off his helmet. The commander of the squad was injured severely by a shot fired by the sergeant and the remainder fled to their trenches."

"I have had many experiences but this is one I'll never forget," declared the soldier. "There will be much to tell when we return home which we expect to do before many years, as it is the general impression that the boche are going to hit the dust this time."

## TWELVE SENIORS AT MOSCOW GRADUATED

Annual Commencement Exercises Are Held at the Christian Church Tuesday Night

REV. J. T. SCULL, JR. SPEAKS

Twelve members of the senior class of the Moscow high school were graduated last night when the annual commencement exercises were held in the Christian church there.

The Rev. J. T. Scull, Jr., of Sullivan, a former graduate of the Moscow high school delivered the address taking for his subject, "Success, Ambition and Opportunity." A musical prelude was furnished by the Stevens orchestra and the diplomas were awarded by the county superintendent, C. M. George. The Rev. Loren Tillson of Blue Ridge and the Rev. C. E. Hester of Moscow conducted the religious service.

The graduates included Miss Fern Scull, Miss Zella Hungerford, Miss Laree Garard, Miss Faye Scull, Miss Edna Hoban, Ralph Willey, Arthur Peck, Darrell Hungerford, Chester Gosnell, Merle Piper, Paul Gosnell and Theodore Hurst.

## KENNEDY IS ACQUITTED

Charles Kennedy was acquitted by a jury in police court this morning on a charge of running an automobile without dimmers, as provided by the state law. He was driving a car belonging to his father, E. L. Kennedy, when arrested. The police say it had no arrangement whatever to comply with the state law.
